

ACTIVITY SHEET

+ Cards

[The + cards](#) are the symbol of the Hooked on School Days campaign. Use them to carry out activities in your community. Get creative!

-  Think with youth about a gesture or a person who represents a + for their success. What helps them love school and persevere from childhood to adulthood?
-  Ask your youth to write a gesture or the person's name on a cut-out + card and take a picture with them. Share these photos on social media by adding the hashtags #JPS2021 and #groupeneuronesndq in the text of the publication.
-  Create a mural with all these "+" or display them in your office!
